

2024 DUST CONTROL

It is that time of year to start thinking about dust control!

This year we are implementing a few different processes to better serve you. We have included an application attached that will need to be filled out and returned to us. Along with the application you will have the option to take advantage of a discount by prepaying. Applications are due back to **our office** no later than May 1st, 2024. Please read the following important information:

- Two applications recommended
- Applications billed in 100' increments only
- First application will be end of May/beginning of June
- Second application will be end of July/beginning of August
- Will work different situations if county allows
- All applications are subject to change based on weather and county regulations
- Applicant is to mark off the area to be sprayed with flags. **We do have flags available at our office.**
- Flags must be placed by May 1st and remain posted until October 31st
- **Iowa County Residents: The application attached needs to be returned to our office. In addition you also need to go to our website <https://rohrerfertilizer.com/victor/dust-control> and print off the Iowa County Dust Control Permit, complete it, and send it with their permit fee to the Iowa County Engineers office.**

If you have any questions please feel free to call our office at 319-647-3612.

We look forward to working with you in 2024!

Victor Oil Dust Control
